

4 Seasons FRS/GMRS Net Activation Phone Tree 10/21/18

Phone Tree Protocol – If you determine there is a need for activating the FRS/GMRS Emergency Net and the phones are working, use the ECom phone tree. Contact the first person on the list. If this person is not available, contact the next person. The person contacted will then contact the next person on the list, etc., etc. The first person to activate the FRS/GMRS net will be Net Control until relieved by someone in the ECOM leadership team.
